

Your clients stop in Valencia. *I'll look after them.*

Private walks with a local, real paella and beds for whole groups. Your clients book directly with me, and you get 15% of what they pay.

Walk

Private old town walk, 3 hours, just their group. For cruise passengers, timed around the all-aboard. If we're ever running tight, I put them in a taxi to the terminal and pay the fare.

€150 (≈ \$170) up to 4 people
+€30 (≈ \$35) per extra person, up to 8

Paella

A paella workshop: they cook a real Valencian paella over fire, then eat it. For a couple or a group of fifty.

From €65 (≈ \$75) per person

Groups

Three partner hostels, 200+ beds. Study abroad, school and church trips, with paella and walks in the same chat.
